A recipe by KC Coake and posted on [realcreativerealorganized.com](http://realcreativerealorganized.com).

**Prep & Cook Time: About 10 minutes**

## Ingredients for 1 drink:

- Water or simple syrup
- Gold and red sugars or sprinkles
- 3-4 strawberries
- 2 oz Pink raspberry lemonade (or any pink lemonade)
- 4 - 4.5 oz Gloria Ferrer Blanc De Noirs
- Optional - Vanilla ice cream

## Directions:

1. Dip rim of glass in water or simple syrup. Dip into gold dusting sugar and/or red sugar (sprinkles work as well)
2. Clean and cut strawberries in half. Save one strawberry for rim of glass. Slit it from the bottom up through the middle and leave the stem attached to place it on the rim of the glass. Don't cut all the way up through the strawberry.
3. Add 2 oz pink raspberry lemonade to glass.
4. Add 4 to 4.5 ounces Gloria Ferrer Blanc De Noirs to glass.
5. Optional - make the drink into a dessert by adding a small scoop of vanilla ice cream.
