

Homemade Lip Balm

A recipe by KC Coake and posted on realcoake.com

Prep & Cook Time: About 30 minutes

Ingredients for 1 batch:

- 1/3 cup Beeswax Pellets
- 1/3 cup Shea Butter
- 1/3 cup Coconut Oil
- 1 Tablespoon Hibiscus Flower Powder
- 1 Tablespoon Vitamin E oil
- 25 Drops Lavender essential oil

Directions:

1. Using a double boiler, melt the beeswax, shea butter, and coconut oil. Mix well.
2. Remove from heat. Add Hibiscus Flower powder. Mix well.
3. Add Vitamin E oil and Lavender essential oil. Mix well.
4. If using 5 gram containers, use a teaspoon to fill containers with lip balm mixture. If using another size container, fill containers with lip balm mixture using a spoon.
5. Allow to cool completely and harden before adding lids to containers.

Note: This recipe can easily be modified to any size. Just use equal parts beeswax, shea butter and coconut oil. Then adjust the amount of hibiscus flower, vitamin E, and lavender essential oil. Scaling down for a smaller batch and adding more for a larger batch.
